

Niloufar Soltani

Front-End Developer

Toronto, Canada | niloufarsoltani1993@gmail.com | (416) 882 8435 | LinkedIn

SUMMARY

Front-End Engineer with 3+ years of experience building user-friendly and accessible web applications using React, TypeScript, and modern frontend tooling. Comfortable working in cross-functional teams and collaborating closely with designers and product managers to ship reliable features. Skilled in component-based architecture, API integrations, and testing using Jest and Cypress. Continuously improving and eager to grow within a fast-paced engineering environment.

SKILLS & TOOLS

- Front-End Development: React, JavaScript (ES6+), TypeScript, HTML, CSS (Styled Components, Tailwind)
 - State Management: Redux, Context API
 - Testing & QA: Jest, Cypress, unit & integration testing
 - API Integration: REST APIs, Postman, Swagger, GraphQL (basic)
 - Performance & Optimization: Code-splitting, lazy loading, caching strategies
 - Version Control & Collaboration: Git, GitHub, Agile (Scrum, Kanban), JIRA
 - UI/UX Design: Figma, accessibility (WCAG), responsive design
-

PROFESSIONAL EXPERIENCE

Front-End Developer | Saichologist | May 2024 – Present | Copenhagen - Remote

- Developed and maintained React applications, focusing on responsiveness and performance.
- Built reusable UI components and collaborated with designers to ensure pixel-perfect implementation.
- Integrated front-end features with REST and GraphQL APIs, validating data flow and edge cases.
- Wrote unit and integration tests using Jest and Cypress to support ongoing reliability.
- Worked in Agile teams and participated in sprint planning, retrospectives, and code reviews.

Front-End Developer | Rasha Communications Development | Nov 2021 – May 2024 | Iran - Remote

- Implemented UI enhancements and design consistency based on Figma prototypes.
- Delivered frontend features in collaboration with product managers and backend developers.
- Built and styled responsive UI components using Styled Components and Tailwind CSS.
- Helped improve accessibility and usability based on user feedback.
- Used Git for version control and participated in regular code reviews to ensure code quality.

QA Analyst | Fanap ICT Co | Sep 2019 – Oct 2021 | Tehran, Iran

- Conducted UI testing and assisted development teams with frontend validation.
 - Used Postman and Swagger to verify API endpoints and support integration efforts.
 - Shared usability insights that contributed to improved UX design.
-

EDUCATION

Bachelor of Architecture | University of Benab, Iran (2011 – 2015)

ADDITIONAL INFORMATION

- Eligible to work in Canada (Permanent Resident)
